Getting off to a good start, the first man shows off his impressive 10 inches. The second man produces a 9-inch dick. Feeling confident, they urge the third man to get his tackle out. He does so and reveals just one inch of manhood. After some nail-biting calculations the cannibal says, 'Okay fellas, you've managed to come up with the goods: I'll let you use my boat to escape'. As they were sailing to safety,

The old man looked off in the distance and did not answer him. 'Gramps, what are you doing sitting out here with nothing on below the waist?' he asked again. I was going to sell her to the marine biologists but she begged and pleaded, saying that she would grant me three wishes if I set her free.' 'What did you wish for?' asked the intrigued tourist. 'Firstly, a beautiful new fishing boat and was stunned when a new trawler appeared. Then I asked for immense wealth. And immediately the deck of my boat was covered with gold coins and jewels. Thirdly, I asked for a good, long shag with the mermaid.'

Three blokes are comparing their drunkenness from the night before. The first one says, 'I was so drunk I don't even know how I got home…I just woke up in my bed in a pool of sweat.' 'Oh yeah,' brags the second guy, 'I was so wasted I took home a strange woman and was having sex with her when my wife walked in.' 'That's nothing,' said the third. 'I was so pissed that I was blowing chunks all night.' The other two cry in unison, 'Big deal!' 'I don't think you understand,' says bloke number one. 'Chunks is the name of my dog.'

There was a father who was very proud of his three daughters. Every night he took a stroll around the house to make sure everything was all right. One night, he could hear laughter coming from his youngest daughter's room. When he reached the window of his second daughter, he could hear her crying. There were no sounds at all coming from his oldest daughter's room. The next day, when they were all gathered around the breakfast table, he said to his youngest daughter 'I heard you laughing last night, as I walked past your window. Why was that?' She answered, 'That's because you taught me to laugh when someone was making me happy'. He then asked his second daughter why

she was crying. She answered, 'Because you taught me to cry when someone was making me sad'. He then said his oldest daughter 'I didn't hear anything from you', to which she replied: 'That's because you taught me not to talk with my mouth full...'

A few minutes later, he rolls back over and taps his wife again. 'Do you have a dental appointment tomorrow too?'

After years of flirting a man and a woman in an old people's home agree to make love. Impatient for his first bit of action in decades, the man is anxious to go down on her. However, after just a few seconds of muff-diving the geriatric bird, he reappears saying 'Sorry love, but the smell is just too bad'. 'Oh dear,' she says, 'it must be the arthritis'. 'Arthritis of the front bottom?' he asks with disbelief. 'Are you sure? And surely arthritis doesn't smell?' Setting him straight, she says: 'No darling, the arthritis is in my shoulder. I can't wipe my arse'.

Three rottweilers are talking in the waiting room at the vet's surgery. The first dog says, 'I was out walking with my master when a thug attacked him. I chased the bloke, caught him by the throat and savaged him to death. So I'm here to be put down'.

The second dog says, 'I was in the house when a burglar broke in and tried to nick the TV and stereo, so I pinned him down and bit his arm off. I'm here to be put down too'.

The third dog tells his tale: 'I was patrolling the house one evening and I wandered into the bathroom to see my master's wife naked, bending over the bath. I leapt up and gave her a jolly good seeing to doggy-style'. The other dogs

asked pitifully, 'And you're being put down too, right?' 'No, I'm here to get my claws clipped.'

A bloke walks into the doctor's surgery looking very sheepish. The doctor asks him what the problem is and he explains that it's a rather delicate matter to do with his back passage, which he finds hard to talk about. The doctor says, 'Look mate, I've been in this profession for 26 years and there isn't much I haven't seen. I know you must be embarrassed but I'm a doctor and it would save us both a lot of time if you told me'. The guy drops his trousers and bends down revealing a bloody and ragged arsehole that looks like it's been under serious attack. The doctor is shocked at what he sees: 'Christ! What happened to you?' The embarrassed patient explains that he was raped by an elephant whilst

on safari. 'Hmm, I know I'm not a vet but my limited knowledge in that field tells me that elephant penises are long and thin,' says the doctor. 'You're not wrong there Doc, but he fingered me first.'

A young man calls in sick one day, explaining to his boss that he really can't come in to work today. 'Sick? You're always sick' says his boss. 'Just how sick are you today?' 'Well, I'm in bed with my 8-year old sister.'

The wife coyly tried to explain her purchase of a new pair of expensive designer panties. 'After all, dear,' she said to her husband, 'you wouldn't expect to find fine perfume in a cheap bottle, would you?' 'No,' her husband replied. 'Nor would I expect to find gift wrapping on a dead beaver.'

A man went to a brothel to get some practice performing oral sex on his wife. The prozzie was happy to give him a few pointers and then told him to go for it. So the man went down on her and he was, judging by her reaction, pretty good at it. But something strange happened. A couple of minutes into the deed, he felt something in his mouth. He spat it into his hand and found a piece of carrot. 'Yuk!' he thought, but said nothing and continued. A couple of minutes later, he came up with a broad bean. 'Fucking hell. This is revolting,' he thought. Nevertheless, he said nothing and gave her filthy box one more shot. A couple of minutes later he came up with a piece of chicken. He couldn't stand it any longer.

'I can't do this anymore! I'm gonna throw up!' 'That's weird,' remarked the hooker, 'that's just what the last fella did.'

A well known, much-married celebrity said to her doctor, 'I have a new boyfriend and he's 18, so I want you to tighten my vagina. This has to be our secret - no tabloids, definitely no leaks.'

Her doctor was standing there when she woke up after the operation. She looked at the foot of the bed and saw three bouquets of flowers.

She said angrily to the doctor, 'How could you do this to me? I told you this was to be a secret'.

The doctor said, 'Relax. The first bouquet is from me. The second is from the anaesthetist - he worked with me on your operation. He's gay and very trustworthy. He won't tell a soul. And the

third bouquet is from a guy in the burns unit who wanted to thank you for his new pair of ears'.

A former prostitute with a vagina that has been somewhat stretched from over-use, is given a proposal of marriage by a man she meets in a bar one night. She thinks it over and she decides to accept his hand in marriage. Her hole is rather capacious thanks to her former occupation, but she decides to approach the sensitive issue after they are married. On their wedding night, she explains the problem by saying that when she was a small child, she got her privates caught on some barbed wire while climbing over a fence – hence her massive cavity. They make wild and passionate love for most of the night. In the early hours of the morning her husband (after regaining his breath) turns to her and says,

'I can understand your snatch being stretched by barbed wire, but just HOW far across the field were you before you noticed?'

On his way he feels sick and throws up all over his posh suit. Arriving home, he uses his fine legal mind to explain the mess to his wife: 'A filthy tramp vomited all over me'. So, his lovely wife makes him a cup of tea out of sympathy. The next day the judge comes home and decides to make yesterday's story a wee bit more convincing by saying, 'You'll never guess what but that tramp was in court today. I gave him 6 months'. His understanding wife declared, 'Darling you should have given him a year – he shat in your pants as well'.

A young woman decided that she wanted to please her boyfriend by wearing some saucy, crotchless knickers. That evening, she lay on the bed waiting for her man to come home. She was totally naked except for her new panties and had her legs wide a part. When he arrived home he raced up to the bedroom where he thought he'd find her. 'Do you fancy some of this?' she said huskily. 'Fuck no, look what it's done to your knickers!'
